workshop

#2 : Secret Pi Message

Record Dash saying the first six digits of Pi, 3.14159

v:onder
workshop

#3 : Pi Circles

Program Dash to move in a circle. Attach the Sketch Kit to see your circle in action!

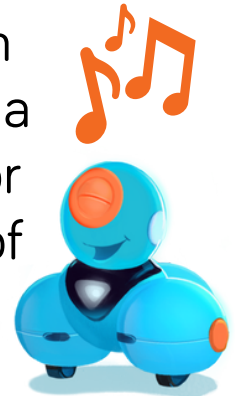

v:onder
workshop

Don't have a Sketch Kit? Build your own invention where Dash can hold a marker!

#4: Pi Music Maker

Create a program where Dash sings a different sound for the first six digits of Pi, 3.14159

v:onder
workshop

#5: Pi Dance

Build a pie for Dash to carry and connect using the Build Brick Connectors. Program Dash to dance with the Pi.

v:onder
workshop

#6: Race to Pi

How can you combine all of the programs from each card to have the ultimate Pi performance?
