If you want to create an open-format journal, consider taping this page in the front of your logbook and use these questions and prompts to guide your **PLANNING PROCESS**.

Questions and prompts to consider:

a. What is your Team's goal for today?

b. Write about or draw what you need Dash to do.

c. Create some designs -- What do your plans look like? What are you going to create or build?

d. What are the steps that you will take to reach your goal(s)?

e. How do you plan to test your ideas?

MISSION REFLECTION QUESTIONS

If you want to create an open-format journal, consider taping this page in the front of your logbook and use these questions and prompts to guide your **REFLECTION** after each team meeting.

Questions and prompts to consider:

- a. **What was your Team role today? What did you do to help your team?**

- b. **What happened when you ran your program?**

- c. **What worked well today? What was the most rewarding moment?**

- d. **What didn't work so well? What was the most challenging part of today?**

- e. **What changes do you plan to make for next time? What goals do you plan to tackle next?**
